

Conversation Photos 1

What do you see in the picture?

Try to answer at least one of these questions:

Who?

What?

When?

Where?

Why?

#1

Describe what you see.

Where is the bird going?

What does it want?

What do you wonder about this picture?

#2

Describe what you see.

What is the girl's name?

Who helped her braid her hair?

What is she looking at?

What sounds can she hear?

What did she do before she came to the playground?

What would you like to ask her?

#3

Describe what you see.

What sounds can the clown fish hear?

Why is the clownfish inside the anemone?

What is watching the clownfish?

What does the clownfish want?

#4.

Describe what you see.

What is the woman's name?

What do you think she is working on?

Where is she sitting? What is the temperature? What sounds can she hear?

Where did she get her necklace?

What is she going to do next?

#5

Describe what you see.

Who is this man? What is his name? What is his job?

What are the cats doing? Are they afraid of the man?

What is the temperature?

What sounds can they hear?

What do you think will happen next?

#6

Describe what you see.

What are the names of the man and the woman?

What is the man doing? What is the woman doing?

Why are they wearing masks?

What sounds can they hear? What can they smell? What is the temperature?

What was the woman thinking about while she got dressed?

What will happen next?

#7

Describe what you see.

What can you smell here? What can you hear?

What are some things that this tree has seen during its life?

What might happen next?

#8

Describe what you see.

Pick any two flowers: how are they alike, and how are they different?

What is the job of the flower, as part of a plant?

When do we give people flowers?

Tell about a person who receives a flower (or a bouquet).

#9

Describe what you see.

Who made this minestrone? Who will eat it?

What do you feel when you smell delicious soup in the kitchen?

How do you make soup like this?

What would you serve along with this soup? What's for dessert?

#10

Describe what you see.

Who is building this house?

Who will live in this house? How many people total?

How long will it take to build?

What do you like or not like about this house?

What color should they paint the outside? Why?

How is the house below, which is made with straw bales and wood, different from the house above?

What would you like to ask the people building the straw bale house?
